

# A Hand Book for Acupressure Therapists

## Index

### Part - I: Theory Section

#### CHAPTER - 1

Introduction	1-3
--------------	-----

#### CHAPTER - 2

<b>Imbalances in Qi (ऊर्जा में असंतुलन)</b>	<b>4-14</b>
1) Deficiency of Qi (Qi की कमी)	4
Diagnosis and Treatment of Deficiency of Qi in Yin Organs	5-6
Diagnosis and Treatment of Deficiency of Qi in Yang Organs	7-8
2) Sinking of Qi	9
3) Collapse of Qi (Qi का एकाएक गिर पड़ना)	11
4) Stagnation of Qi (ताण्डवी ऊर्जा) in various organs and their symptoms and treatment	12
5) Contravention of Qi or Rebelious Qi (ऊर्जा का मार्गोलंघन या उपद्रवी ऊर्जा)	13-14

#### CHAPTER - 3

<b>Imbalances in Blood रक्त में असंतुलन</b>	<b>15-22</b>
1) Stasis of blood in various organs and their symptoms & Treatments	15
2) Deficiency of Blood, Its causes, symptoms and treatment	16-17
3) Heat in blood of various organs and their symptoms and treatments	18-19
4) Bleeding (रक्तस्राव)	20
Summary of Patterns of Bleeding, Location of Bleeding and Colour of Blood	21-22

#### CHAPTER - 4

<b>Imbalances in Phlegm बलगम में असंतुलन</b>	<b>23-26</b>
1) Spleen produces 75% of phlegm	23
a) Spleen Qi deficiency के कारण 15% बलगम बनता है	23
b) Spleen yang deficiency के कारण 60% बलगम बनता है	23
2) Lungs Qi deficiency produces 15% of phlegm	24
3) Kidney yang deficiency produces 10% of phlegm	24
Identification of phlegm type & its treatment	24-25

#### CHAPTER - 5

<b>Imbalances in Life Essence (जीवन सत में असंतुलन)</b>	<b>27-30</b>
---	--------------

What is life essence? जीवन सत क्या होता है?	27
1) Preheaven essence जन्मजात जीवन सत	28
2) Post heaven essence जग में प्राप्त जीवन सत	28
3) Kidney essence किडनी का जीवन सत	28
Function of Kidney Essence.	28-30
<b>CHAPTER - 6</b>	
<b>Four Levels of Diseases (रोगों के चार चरण)</b>	<b>31</b>
<b>CHAPTER - 7</b>	
<b>Attack of Internal Wind (अन्दरूनी वात का आक्रमण)</b>	<b>32-33</b>
Types of attack of internal wind their symptoms and treatments	
<b>CHAPTER - 8</b>	
<b>Attack of Humidity on Urinary Bladder causes U. T. I.</b>	<b>34-35</b>
मूत्राशय पर आर्द्रता का आक्रमण मूत्रपथ में संक्रमण कर देता है	
<b>CHAPTER - 9</b>	
<b>Attack of Dampness on Spleen (प्लीहा पर नमी का आक्रमण)</b>	<b>36-37</b>
<b>CHAPTER - 10</b>	
<b>Tongue Diagnosis (जीभ देखकर रोग निदान)</b>	<b>38-48</b>
What is Tongue Diagnosis?	
How is tongue diagnosis carried out? जीभ देखकर रोग निदान कैसे किया जाता है?	
What prompted me to Write a book on Tongue Diagnosis?	
What are the different types of tongues?	
<input type="checkbox"/> Tongue diagnosis in disease prognosis	
<input type="checkbox"/> Effects of medicines on the tongue	
<input type="checkbox"/> Treat difficult & chronic diseases by tongue diagnosis	
<input type="checkbox"/> Size of tongue indicates internal conditions	
<input type="checkbox"/> Treatment of smokers & tobacco chewers by tongue diagnosis	
<input type="checkbox"/> In contradictory symptoms, the tongue gives the true condition	
<input type="checkbox"/> The tongue diagnosis in prognosis रोग के पूर्वानुमान का जीभ द्वारा निदान	
<input type="checkbox"/> Tongue diagnosis after surgical operations	
<input type="checkbox"/> Tongue diagnosis in bone fracture	
<input type="checkbox"/> Tongue diagnosis in children	
<input type="checkbox"/> Geographic tongue भौगोलिक जीभ	
<input type="checkbox"/> Dangerous tongue	
<input type="checkbox"/> Peeling of tongue coating जीभ की परत का उतरना	
<input type="checkbox"/> Prevent attack of paralysis by tongue diagnosis	

<b>CHAPTER - 11</b>		
	<b>Most Effective Time of Treatment उपचार के लिए सबसे उपयुक्त समय</b>	<b>49</b>
<b>CHAPTER - 12</b>		
	<b>Excess Conditions (ऊर्जा की अधिकता की दशायें)</b>	<b>50-51</b>
<b>CHAPTER - 13</b>		
	<b>Deficient Conditions (ऊर्जा की कमी की दशायें)</b>	<b>52</b>
<b>CHAPTER - 14</b>		
	<b>Defensive Qi Level Diseases (रोग प्रतिरोधक ऊर्जा स्तर के रोग)</b>	<b>53-55</b>
<b>CHAPTER - 15</b>		
	<b>Qi Level Diseases (ऊर्जा स्तर के रोग)</b>	<b>56-58</b>

## **Part - II: Disease Section**

<b>CHAPTER - 1</b>		
	<b>Anorexia (भूख न लगना)</b>	<b>59</b>
	Summary of Patterns and Treatments of Anorexia	
<b>CHAPTER - 2</b>		
	<b>Allergic Rhinitis (एलर्जी जनित नासिका प्रदाह)</b>	<b>60-61</b>
	Summary of types of protocols and treatment of Allergic Rhinitis	
<b>CHAPTER - 3</b>		
	<b>Angina Pectoris (हृदय शूल)</b>	<b>62-63</b>
	Summary of Eight types patterns of Angina Pectoris and their treatment	
<b>CHAPTER - 4</b>		
	<b>Anovulatory Functional Uterine Bleeding (गर्भाशय से अण्डविहीन क्रियात्मक रक्तस्राव होना)</b>	<b>64-66</b>
	Summary of patterns and treatments of Anovulatory Functional Uterine Bleeding	
<b>CHAPTER - 5</b>		
	<b>Amenorrhea (रजोलोप या मासिक लोप)</b>	<b>67-68</b>
	Summary of patterns and treatment of Amenorrhea	
<b>CHAPTER - 6</b>		
	<b>Abnormal Menstruation (असामान्य मासिक धर्म)</b>	<b>69-71</b>
	Summary of six types of patterns and treatments of Abnormal Menstruation	
<b>CHAPTER - 7</b>		
	<b>Abnormal Vaginal Discharge or Leukorrhea</b>	

(असामान्य योनि स्राव और लिकोरिया) Summary of patterns and treatment of Abnormal Vaginal Discharge	72-74
<b>CHAPTER - 8</b> <b>Abortion (गर्भपात)</b> Summary of Four patterns of Abortion and their treatment	75-76
<b>CHAPTER - 9</b> <b>Acne Vulgaris (मुंहासे)</b>	77
<b>CHAPTER - 10</b> <b>Abdominal Pain (पेट दर्द)</b>	78-80
<b>CHAPTER - 11</b> <b>Atrophy Syndrome (पेशियों, ऊतकों एवं अंगों के अपक्षय के संलक्षण)</b> What is Atrophy Syndrome? Summary of patterns and treatment of Atrophy Syndrome	81-83 81 82-83
<b>CHAPTER - 12</b> <b>Abdominal Masses (पेट में गांठें)</b> Summary of patterns and treatment of Abdominal Masses	84-85
<b>CHAPTER - 13</b> <b>Breathlessness (सांस फूलना)</b> Summary of patterns and treatment of Breathlessness	86-89
<b>CHAPTER - 14</b> <b>Blood in Stool (मल में रक्त होना)</b> Summary of Patterns of Blood in Stool	90
<b>CHAPTER - 15</b> <b>Bleeding Under the Skin (चर्म के नीचे रक्तस्राव होना)</b> Summary of patterns and treatments of Bleeding Under the Skin	91
<b>CHAPTER - 16</b> <b>Bleeding Gums (मसूढ़ों से रक्त आना)</b> Summary of patterns and treatments of Gum Bleeding	92
<b>CHAPTER - 17</b> <b>Blood in Urine</b> Summary of patterns and treatments of bleeding in the Urine without pain on Urination.	93-94
<b>CHAPTER - 18</b> <b>Bleeding due to Deficiency of Yin</b>	95

**CHAPTER - 19****Cough (खांसी)****96-99**

Summary of Acute Cough (उग्र खांसी)

Summary of Chronic Cough (पुरानी खांसी) :

**CHAPTER - 20****Coughing Blood (खांसी के साथ रक्त आना)****100-101**

Summary of Three Patterns &amp; Treatments of Coughing Blood

**CHAPTER - 21****Chest painful Occlusion Syndrome (छाती में दर्ददायी जकड़न संलक्षण)****102-103****1) Excess type of chest painful occlusion syndrome : Four Types :**

- a) Stagnation of Qi in chest causes acute pain in chest that moves from place to place and comes & goes
- b) Heart blood stasis causes pricking pain in chest which is fixed
- c) Turbid phlegm stagnating in chest causes pain in chest going up to shoulder and upper back
- d) Stagnation of cold in chest causes severe cramping chest pain going upto scapula

**2) Deficiency type of chest painful occlusion syndromes : Three Types :**

- a) Heart & kidney yin deficiency causes less severe chest pain with a feeling of oppression & palpitations
- b) Qi & yin deficiency causes slight oppression and chest pain which comes & goes
- c) Spleen and heart yang deficiency causes a dull pain & oppression in chest with cold limbs

**CHAPTER - 22****Constipation (कब्जियत)****104-108**

What is Constipation?

104

Summary of patterns of Constipation and their treatment

105-108

**CHAPTER - 23****Diabetes Mellitus (मधुमेह)****109-110**

Summary of three types symptom and treatments of Diabetes Mellitus

**CHAPTER - 24****Dysentery (पेचिश)****111-113**

Summary of Seven patterns and treatments of Dysentery

**CHAPTER - 25****Dysmenorrhea (दर्दाला मासिक धर्म)****114-115**

Summary of patterns of Dysmenorrhea and their treatments

<b>CHAPTER - 26</b>	
<b>Diarrhea (पतले दस्त)</b>	<b>116-117</b>
Summary of various patterns of Diarrhea and their treatments eight types	
<b>CHAPTER - 27</b>	
<b>Dizziness &amp; Vertigo (भंवरी और चक्कर आना)</b>	<b>118-119</b>
Summary of patterns and treatment of Dizziness & Vertigo	
<b>CHAPTER - 28</b>	
<b>Eczema (दाद या खुजली)</b>	<b>120</b>
<b>CHAPTER - 29</b>	
<b>Edema (सूजन आना)</b>	<b>121</b>
A) Yang Edema : Four Types	
B) Yin Edema Two Types	
<b>CHAPTER - 30</b>	
<b>Epigastric Pain (अधिजठर में दर्द या आमाशय में दर्द)</b>	<b>122-124</b>
Summary of patterns of twelve types of Epigastric pain and their treatments	
<b>CHAPTER - 31</b>	
<b>Erysipelas (रक्तिम त्वग यक्ष्मा)</b>	<b>125-126</b>
Summary of patterns and treatment of Erysipelas and Cellulitis	
<b>CHAPTER - 32</b>	
<b>Flaccidity (शिथिलता)</b>	<b>127-128</b>
Summary of Four patterns and treatment of Flaccidity	
<b>CHAPTER - 33</b>	
<b>Gall Bladder Stones (पित्ताशय में पथरी)</b>	<b>129</b>
Summary of two patterns and treatments of Gall Bladder Stones.	
<b>CHAPTER - 34</b>	
<b>Hypochondrial Pain (कोख में दर्द)</b>	<b>130-131</b>
Summary of patterns and treatment of Hypochondrial Pain	
<b>CHAPTER - 35</b>	
<b>Headache (सिरदर्द)</b>	<b>132-137</b>
Summary of pattern on Headaches, they symptoms and treatment	
<b>CHAPTER - 36</b>	
<b>Hemorrhoid (बवासीर)</b>	<b>138</b>

Summary of patterns of Hemorrhoids and their treatments

**CHAPTER - 37**

**Incontinence of Urine (पेशाब को रोक न पाना) 139-140**

Summary of patterns and treatment of Incontinence of Urine & Enuresis

**CHAPTER - 38**

**Infertility (बांझपन) 141-142**

Five Patterns of infertility and their treatment बांझपन के पाँच प्रकार एवं उनका उपचार

**CHAPTER - 39**

**Insomnia (अनिद्रा) 143-147**

Summary of patterns of Insomnia and their treatments

**CHAPTER - 40**

**Lower Backache (कमर दर्द) 148-149**

Summary of patterns and treatments of Lower Backache

**CHAPTER - 41**

**Menorrhagia & Metrorrhagia (अतिरज एवं रक्त प्रदर)**

**Excessive Periods and Flooding 150-151**

Summary of patterns and treatments of Menorrhagia & Metrorrhagia

**CHAPTER - 42**

**Multiple Sclerosis 152-153**

**CHAPTER - 43**

**Myalgic Encephalomyelitis (ME) 154-157**

(मस्तिष्क एवं नर्व के प्रदाह जनित मांसपेशियों का दर्द)

**(Post Viral Syndrome, Chronic Epstein Barr Virus Disease)**

Summary of patterns of Myalgic Encephalomyelitis (ME) & their treatments

**CHAPTER - 44**

**Nephritis (किडनी का प्रदाह) 158-159**

Summary of symptoms and treatments of Nephritis

**CHAPTER - 45**

**Profuse Sweating (अत्यधिक पसीना आना) 160-161**

Summary of Seven patterns and treatment of Profuse Sweating

**CHAPTER - 46**

**Chronic Pelvic Inflammation (पुराना तलपेट प्रदाह) 162-163**

Summary of five patterns and treatment of Chronic Pelvic Inflammation

<b>CHAPTER - 47</b>		
	<b>Palpitation of Heart (हृदय में धड़कन बढ़ना)</b>	<b>164-169</b>
	Summary of thirteen types patterns of Palpitation of Heart & ther treatments	
<b>CHAPTER - 48</b>		
	<b>Premenstrual Syndrome (P. M. S.) (मासिक पूर्व के संलक्षण)</b>	<b>170-171</b>
	Summary of patterns and treatment of Premenstrual Syndromes (P. M. S.)	
<b>CHAPTER - 49</b>		
	<b>Poor Memory (स्मरण शक्ति कम होना)</b>	<b>172</b>
<b>CHAPTER - 50</b>		
	<b>Painful Urination Syndrome (दर्ददायी पेशाब संलक्षण)</b>	<b>173-175</b>
	Summary of Painful Urination patterns and treatments	
<b>CHAPTER - 51</b>		
	<b>Parkinson's Disease</b>	<b>176-177</b>
	Summary of patterns of Parkinson's Disease and their treatments	
<b>CHAPTER - 52</b>		
	<b>Senile Dementia (बुढ़ापे की विकृति)</b>	<b>178</b>
<b>CHAPTER - 53</b>		
	<b>Sinusitis (शिरानाल शोथ)</b>	<b>179</b>
	Summary of four patterns and treatment of Sinusitis	
<b>CHAPTER - 54</b>		
	<b>Sudden Deafness</b>	<b>180</b>
	Summary of four types of Sudden Deafness	
<b>CHAPTER - 55</b>		
	<b>Somnolence (निद्रालुता)</b>	<b>181</b>
	Summary of patterns of Somnolence and their treatments	
<b>CHAPTER - 56</b>		
	<b>Tinnitus (कान में आवाजें आना)</b>	<b>182</b>
	□ Patterns of Tinnitus	
<b>CHAPTER - 57</b>		
	<b>Tiredness (थकान)</b>	<b>183-189</b>
	Summary of patterns of Tiredness and their treatment	
<b>CHAPTER - 58</b>		
	<b>Urticaria (पित्ती उखलना)</b>	<b>190</b>

**CHAPTER - 59**

**Vomiting (वमन)**

**191-193**

Summary of various types of Vomiting and their treatments

**CHAPTER - 60**

**Wheezing (सांस सांय करता हुआ सांस)**

**194-195**

Summary of patterns and treatment of Wheezing
